DS

DS Avocats was founded in Paris in 1972 and is the first global French law firm. With 25 offices on four continents DS Avocats provides legal advice providing advisory and litigation services to clients in France and throughout the world.

Our vision is based on an excellent knowledge of the value chain within the energy sector and a unique know-how in this field. Having full knowledge of this sector, our teams have structured **a dedicated offer and services** with national, European and international dimensions.

Present in **Brussels** alongside the European Union regulators, DS is also present and has teams established in **North and South America, Asia and Africa**, where we advise many public and private entities specialised in the **energy** sector, for the development and optimisation of their projects.

About us

Our professionals have developed leading expertise in the sectors on traditional sources of energy (oil, gas, coal, nuclear) and renewable energy sources (solar, geothermal, terrestrial and off-shore wind farms, hydraulic, biomass etc.).

We offer our clients **broad services** ranging from advisory during the legal, financial and tax **structuring** of projects to the **defense** of their interests before administrative and legal authorities.

The Energy team is composed of fifteen lawyers renowned in their respective fields (industrial environment, sustainable cities and territories, competition law, project finance, public tenders, mergers and acquisitions), with an operational **understanding and perspective of the technical and economical aspects** of this sector.

Thus, our lawyers have a combined know-how of various areas of energy law to provide optimised solutions to the **legal and strategic questions** operators face.

Our knowledge of the expectations and requirements of our clients operating in this sector, allows us to provide with the most suitable assistance in an optimal time frame, with the support, when required, of our DS teams worldwide and a **network of experts with specific and complementary skills**. They include, Socotec research consultants, a reference partner of DS Avocats matters pertaining to HSE Signature cluster (hesignature.dsavocats.com).

gutierrez@dsavocats.com ; +33.1 53 67 51 08

Our expertise at every level of the value chain:

- **Exploration - Production - Exploitation**
- **Transport - Distribution**
- **Supply - Marketing**
- **Enhancing the value of energy assets - End of life**

Client References

Our references in the energy sector consist of a diverse range of clients namely including state authorities, national companies, energy producers and suppliers, energy transport network companies, developers and owners of renewable energy sources, investors (dedicated funds, family office etc.) as well as financial institutions offering capital as well as services dedicated to these activities.
